# CORPORATE OVERVIEW

Founded by Cesar Estevez Ferrer in early 2000's, CARALB MARITIMA has a vast experience in the Port, Marine & Logistics Services.

CARALB's team aims to provide only the finest service. We are committed and enthusiastic about our work. Using the latest technology, our professional and local staff guarantees a safe efficient turn-around 24 hours a day, 365 days a year.

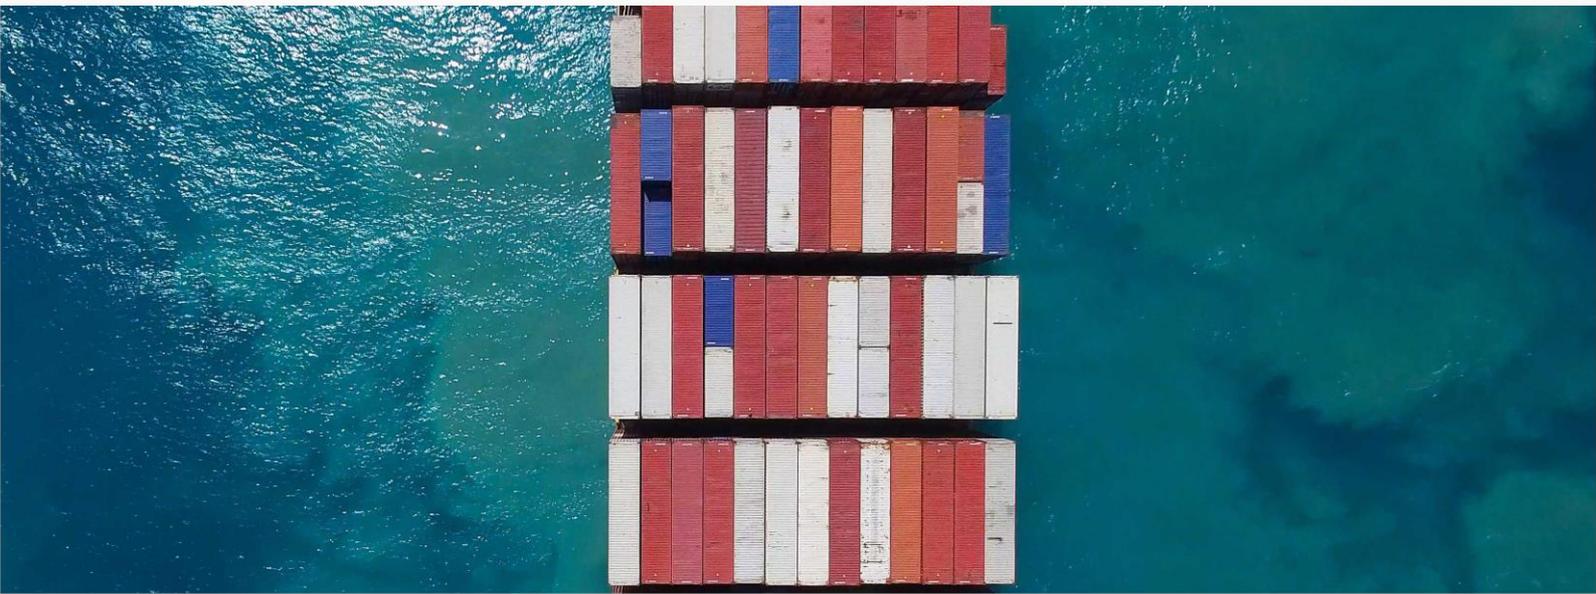

Being a truly independent shipping agency, we offer our clients 100% focus on their needs. We work to protect our principal's interests, keeping a proactive attitude and cost effective with high cost awareness to the benefit of our customers.

## Quality, Health, Safety and Environment

The company remains fully committed to its Quality, Health, Safety and Environment policy.

Our head office in Tarragona has successfully achieved International Organization for Standardization (ISO) certifications from Lloyds Register for recognition of its quality, health and safety and environmental management systems. These certifications include ISO 9001:2015 and ISO 14001:2015.

We also hold the Authorized Economic Operator for customs simplification (AEOC) certification issued by the Spanish Tax Agency (AEAT) Thanks to an internal implementation, we now meet a wide range of criteria work in close cooperation with customs authorities to assure the common objective of supply chain security and are entitled to enjoy benefits throughout the EU.

# SERVICES

## Port Agency

We are a safe choice as we have experience of handling all kinds of vessels from the smallest bunker barge and LPG/C carriers up to VLCC.

We will safely navigate you through the jungle of port restrictions, authorities' requirements and reporting procedures but also crew changes, repairs, stores and much more.

## Liner Agency

The liner department is well equipped to supply Shippers with all necessary shipping documentation that they may require shortly after each sailing.

We take pride in the service we offer to our Principals, and aim to ensure we represent them in the best way possible by adapting our service to the individual needs of each customer.

## Logistics & Forwarding

With the diversity of the global economy where suppliers and customers are often thousands of km apart, and with the ever-increasing changes to Rules and Regulations executing and fulfilling orders are becoming ever increasingly difficult.

Due to these challenges and changes, CARALB provides a complete Logistics Package, including warehousing and distribution throughout a Global Network with the systems and people to meet the most demanding customer service requirements.

CARALB MARITIMA is not only capable of ensuring the best quality of service but is passionate about their clients and their cargo.
