

A high-angle, close-up photograph of a yellow offshore oil rig structure. The image shows a complex network of pipes and circular openings, with the deep blue ocean visible through the gaps. The lighting is bright, highlighting the metallic texture of the rig.

Offshore Services 2025

CARALB MARITIMA, S.A.

Offshore Services

CARALB MARITIMA understands that the offshore marine sector is unique in that it has specialized port agency and logistics requirements. This division is strongly driven by well-experienced staff who believe that dedication, expertise and knowledge is the force behind our powerful team.

Our dedicated offshore operations team, with expert knowledge and experience, are available 24 hours a day every day of the year to ensure our clients receive only first class service.

Our highly skilled staff have detailed understanding of the complexity of customs formalities and the importance of rapid mobilization required for offshore projects.

We understand the highly pressurized environment in which our principals operate so we fully appreciate the importance of meeting deadlines, the need of flexibility and above all the requirement for a proactive approach.
